

I wanted to write to tell you I find Sinclair Broadcasting's decision to demand all affiliates air the anti-Kerry documentary "Stolen Honor" blatantly partisan and unfair.

Our media outlets should be free from this kind of bias. The only comparison I can possibly come up with is if CBS or NBC decided to air Fahrenheit 911 two weeks before the election with no debate or counterbalancing programming.

The FCC must take action to stop this kind of tactics and send a clear message that it is not the media's job to tell us who to vote for.

Thank you
